

You Know

Written by Tom Wehrle

E C/E B/E E
I hate to be the one who tells you everything
A B
You know, already know
E C/E B/E E
You're walking in the dark, and you're losing your heart
A B
I know, cause it shows

Pre-Chorus:

F#m E/G# Bsus B
Come home tonight
G F#sus F A
Run every red light that ya find

Chorus:

E C/E
It's time to go, it's time to roll
B C#m
This road we walk is narrow
A Bsus B
So please show, that you know
E C/E
Our time is dear, our time is near
B C#m
So please don't waste your years
A
When you know
Am/C Bsus - B - E
You know

Verse 2:

E C/E B/E E
Life isn't stealing all of your feelings

 A B
No you've grown cold

E C/E B/E E
It's never too late to turn past that page

 A B
That you hold, on your own

(Pre-Chorus)

Bridge:
