

Innocence

Written by Dan Smith

Verse 1:

This story brings back regrets
People I should not have met
And my life, yes I've changed

I sit and wonder of the past
But I know now that can't last
Cause I know that I have left behind those chains

 A G
But I wonder if you know
 Bm G
You're the only one I've shown
 Bm A/C# D G
And the only one I'd ever be ashamed to leave

Verse 2:

 D G
Wish I'd known you way back then
 D G
When my life was not content
 D G D - G
With the innocence that young ones need to live

 D G
It was all inside my mind
 D G
But either way it's still my lie
 D G D G
And love and time is the best thing you give me

A G
 And I know you'll do what's said
 Bm G
 With nothing hidden in my head
 Bm A/C# D G
 And love and time is the best thing you give me
 Bm A/C# D G
 And love and time is the best thing I give you
 Bm A/C# D
 And love and time is the best thing people give

Bm G D Asus A
 For you know there comes a time
 Bm A/C# D
 When you slow down your life

 That's out of line with God
 F#/A# Bm G
 And now you're confronted with
 D Asus A
 The man who made your face
 G A
 And you find out your ways
 G A
 Bring only love and time today, today

Bm A/C# D G
 And love and time is the best thing you give me
 Bm A/C# D
 And love and time is the best thing people give
