G/B – D/A

Verse 1:

G/B D/A  
Woke up today and heard them say  
G/B D/A  
It's time you choose  
G/B D/A  
Save a life or let me die  
G/B D/A  
And you're lost with what to do

G D/F#  
To let them in, under your skin  
Em A7/C# - Asus7/B - A7  
But I'm here

Chorus:

Asus A D  
I'm in love  
Em D/F# G  
With everything I've seen  
Asus A D  
And you're enough  
Em D/F# G A7/C# G/B  
To give me everything that I need  
A7 G  
Cause I see, I need you

Verse 2:

G/B                                  D/A  
I have no voice, when you make the choice  
          G/B                                  D/A  
That you don't want me here  
          G/B                                  D/A  
Cause I'd love to stay, to see your face  
          G/B                                  D/A  
And wipe away your fears

G                                  D/F#  
So don't let them in, under your skin  
          Em A7/C# - Asus7/B - A7  
Cause I'm here

(Chorus)
